SHEPHERD'S ROCK

Shepherd's Rock "is a great combination of the most unique and enjoyable golf holes we have built, combined with stunning mountain top views that speak to your soul."

– Tim Liddy, *Golf Course Architect*.

Shepherd's Rock rolling bucolic terrain is ideal to fully utilize Pete Dye's brilliant imagination in fashioning a routing that is both fun and challenging for all golfers, and offers miles of scenic views across the mountains. The layout rivals the highest-rated golf courses in the country and is a perfect companion to Nemaconlin's PGA Tour-tested Mystic Rock.
