### MAKING RESERVATIONS

Our trained Reservations Specialist will be happy to assist you with selection and booking of appointments. Making reservations at least two weeks in advance will help to ensure that your children receive desired services and appointment times. Walk-ins will be accepted on a first come, first served basis.

### CANCELLATION POLICY

We realize that circumstances arise that may prevent you from keeping scheduled spa appointments. If you must cancel or change your reservations, please notify us at least four hours prior to your scheduled appointment time(s) to avoid a cancellation fee which is 50% of the total cost of each service.

### GRATUITIES

For your convenience, a 20% service charge will be added to all services inclusive of gratuity and tax. This amount is completely adjustable based on your level of satisfaction with services.

### GENERAL SPA GUIDELINES

Guests are expected to behave appropriately at all times. Spa Voyage spa reserves the right to end a child's spa visit at any time should his or her behavior become disruptive to other guests or spa staff. Parents will be required to provide a telephone number where they may be reached in an emergency or in the case that your child's spa visit must end early.

### ARRIVALS AND DEPARTURES

Please arrive 15 minutes prior to the scheduled start time of your child's first appointment. This will allow ample time for check in and orientation to Spa Voyage. While we will do our best to accommodate all of our guests, modifications to service duration may be necessary should your child arrive late for his or her services.

Parents or guardians are expected to arrive to pick up their child 5 minutes before the end of the final scheduled appointment time. This will provide an opportunity to take a photo of or with your child. There will be a \$40 per hour charge for any child who has not been picked up within 15 minutes of their final spa treatment of the day.

### YOUR CHILD'S SAFETY

When a guest is left in our care, we will require the parent or guardian picking up the child to show identification if the person picking up the child is not the one that dropped him or her off.

Please be advised that all spa treatments are performed in communal and/or semi-private space. This allows for personalized attention as well as discretionary supervision.

A parent or guardian must accompany all children ages 5-7 for the duration of their spa visit.

Swimsuits or shorts and a sports top (for girls) are required for all massages. Massages will be performed by a therapist of the same gender. Parents are invited to accompany children during treatments (required for ages 5-7).

Upon making reservations or any time prior to spa check in, please inform our staff of any medical conditions, allergies, and/or medications that may influence or affect your child's spa experience. It is imperative that these things are communicated to ensure optimal comfort and safety of your child.
