MYSTIC ROCK

The dreams of resort founder Joe Hardy and the vision of design master Pete Dye resulted in one of the country's finest courses. Literally moving mountains, Dye designed this course with particular attention to the environment and incorporated the large boulders unearthed during construction. High atop the Alleghenies, Mystic Rock spans acres of scenic highlands, offering players championship golf in a spectacular setting. Recent renovations, including rebuilding all 18 greens and narrowing fairways, have earned Mystic Rock a course rating of 78.3 and a slope of 152 from the championship tees.

Former home to the 84 Lumber Classic, a PGA TOUR event, Mystic Rock has played host to the top professional players in the world, including Tiger Woods, Phil Mickelson, and Vijay Singh. Mystic Rock is ranked in the Top 25 Resort Courses by *Golf Digest* and the #1 Public Access Courses in Pennsylvania by *Golfweek*.

THE LINKS

The Links provides a first-rate golfing experience, sculpted through the Laurel Highlands where rocks and water naturally come into play on several holes. Deep woods, high rough and lakes surround the beautiful fairways with majestic views of the Alleghenies.

A traditional mountain design with a flair for the dramatic, The Links course offers its own test of golf. Elevation changes provide some of the most picturesque views on the property, while undulating greens demand both patience and precision with the putter. The par 70 layout is a fun, fair test of golfing skills.

Blue	6658	72.8	137

CADDIE PROGRAM

While the caddie business has no industry standards or formal training schools, Caddiemaster has been developing its own since 1993. Those who manage to complete the program have a thorough understanding of forecaddie competencies and golf etiquette. Headquartered in Ponte Vedra Beach, Florida, Caddiemaster is the world's leading provider of caddie services. The top golf destinations in the world partner with Caddiemaster because they elevate the entire golf experience. It was for this reason that Nemaocolin Woodlands Resort brought the Caddiemaster program to Mystic Rock. When golfers step onto Nemaocolin Woodlands' Mystic Rock golf course, Caddiemaster's expert forecaddies insure a top-quality playing experience and reduce pace of play each round.

PRACTICE AREAS

Our Practice Center, which opened in April 2005, includes 6,000 square-foot of bent grass tees, as well as 27,000 square feet of chipping and putting greens. Three bunkers allow guests to work on sand saves and seven strategically located target greens give players the opportunity to practice fades as well as draws. Whether you are struggling with shots out of the rough or intimidated by uphill lies, you will find the perfect spot to perfect every shot in your game.

Nemacolin and Nike, two great names in golf, have partnered creating one of the country's first exclusive Nike Pro Shops. In 2008, the first level of the Pro Shop was totally transformed and features a new floor plan, modern fixtures and a complete equipment center. The shop now offers Nike Golf apparel for men, women and children as well as the Tiger Woods Collection. This premium line, worn by Tiger, is noted for its fashion forward styles and colors with Nike Sphere-Dry performance and comfort. Nike golf clubs have undergone a transformation of their own in the last few years, and Nemacolin is proud to showcase a full line of Nike clubs featuring the latest in technology. At the Links Pro Shop, we've taken our game to a whole new level.

THE NEMACOLIN GOLF ACADEMY

The Nemacolin Woodlands Golf Academy/Nike Tech Center offers a unique balance of golf instruction and club fitting designed exclusively to help your game. Our PGA Instructors (led by PGA Master Professional and two-time Teacher of the Year, Dennis Clark) have over 50 years of teaching and club-fitting experience and are sure to find a cure for your golfing woes.

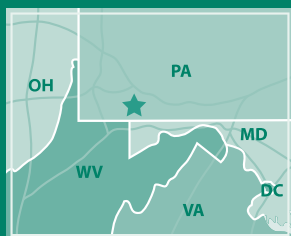

Our Teaching philosophy is simple: No two swings are alike, so no two lessons should be either. All our instructional programs are individualized based on your swing faults. We will not put you in a mold or try to make you swing like the pros. We will take the swing you bring, work with it, help you understand it, and have you hitting better golf shots in no time. We understand that, in most cases, you are not interested in qualifying for the PGA or LPGA Tour; you just want to play to your skill level. Now is your chance to do just that!

We have the latest in computerized club-fitting. Our Nike 360 system is designed to determine precisely what golf clubs are right for you. A complete 45-minute to one-hour fitting session will let you know your exact club specifications.

Finally, every student receives a personalized, take home DVD as a reminder of all the things you learned about your game, and what you'll need to work on for next time.

Whether you just want a quick one-hour tune up or a complete refresher in one of our mini-school programs, you owe it to your game to take advantage of this once in a lifetime opportunity. No trip to Nemacolin Woodlands is complete without a stop by our state-of-the-art Golf Academy.
