# PILLOW MENU

## THERAPEUTIC

The center cavity of this pillow cradles the head while sleeping on your back. The raised "side-sleeping" section rests head and neck naturally to allow proper spine alignment when sleeping on the right or left side.

## BUCKWHEAT HULL

One of the finest for neck pain relief & muscle tension relief. This pillow offers full support while the buckwheat hulls ventilate the head keeping you cool & comfortable.

## ULTRA FOAM DELUXE

Unbelievably soft and comfortable. Temperature sensitive memory foam molds to the contours of your neck and head providing full support and ultimate comfort.

## TRI-CORE

Filled with Dupont Dacron Hollofill. Enjoy the comfort of a top of the line bed pillow with proper neck support.

## AIR-CORE

Get all the benefits of the Tri-Core pillow with the convenient air pump adjustability.

## SOUND ASLEEP MEMORY

This firm memory pillow is designed to reduce snoring.

## NECK & NECK PLUS MEMORY

This versatile pillow offers you the choice of four different sleeping options for your personal comfort, two variations of foam and surfaces.

## MEMORY PLUS

Resilient foam base pillow provides full and firm support for a soothing customized fit.

## DOUBLE CORE

Choose your support. Firm or extra firm.

## MEDIFLOW WATER

Adapts instantly to your different neck positions.

*To make requests, please contact your  
butler at extension 1900.*
